The banner is split into two main sections. The left section features a black and white photograph of a car's rear wheel and fender, with a prominent red diagonal stripe running across it. Overlaid on this image is the text 'ADAPTER OVERVIEW!' in red and white. The right section is a solid white background. It contains the Onyx logo, which consists of a stylized black hexagon with white lines, followed by the word 'onyx' in a bold, lowercase sans-serif font with a registered trademark symbol. Below 'onyx' is the phrase 'painting system' in a smaller, lowercase sans-serif font.
